BRAND IMAGE

USAGE GUIDELINES

Our brand logo is a vital part of our corporate identity. It represents our values, our mission, and our unique brand personality. To maintain its integrity and recognition, it is crucial that the logo is used correctly and consistently.

Safe Area

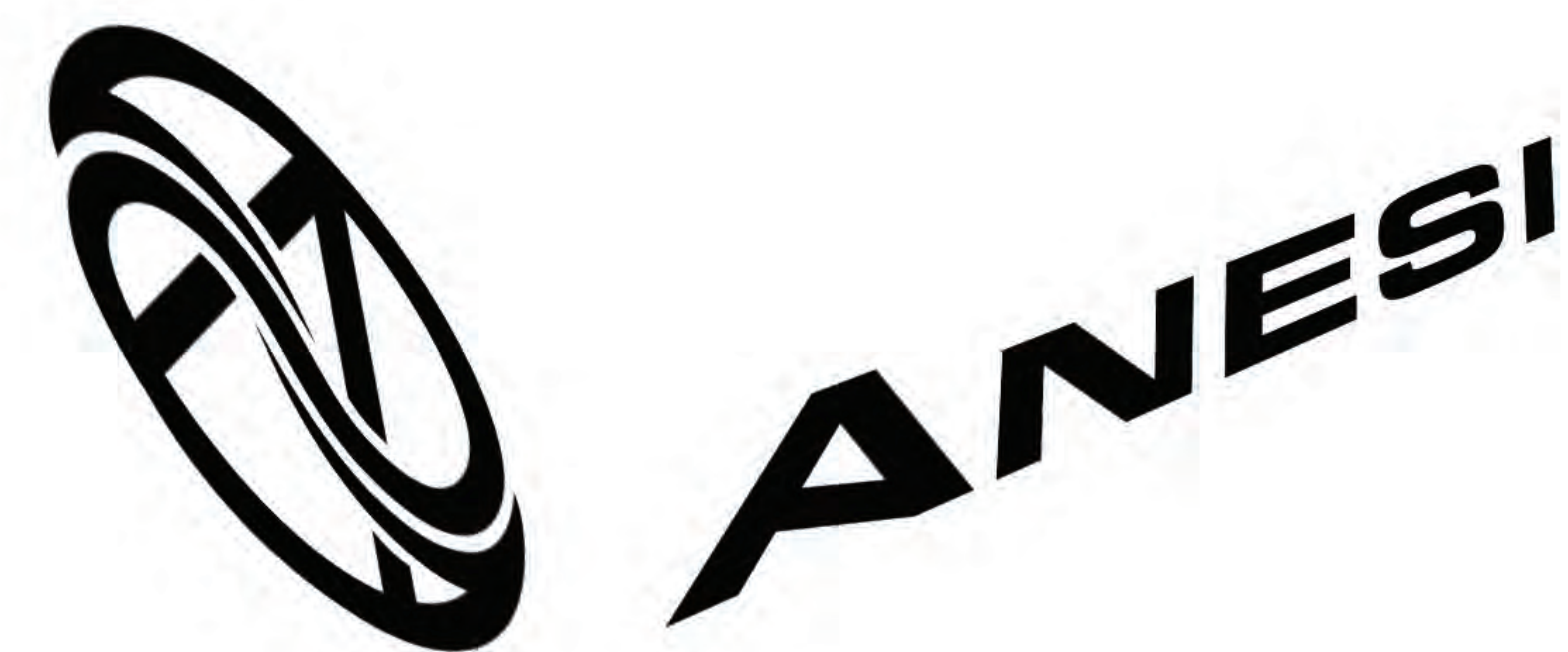

The logo's safe zone is equivalent to the height of the 'E' on all sides.

BRAND IMAGE

USAGE GUIDELINES

The logo must always be scaled proportionally. Distorting the logo by stretching or compressing it is not permitted. Always ensure that the height and width are scaled equally to maintain the correct aspect ratio. Any modifications that alter the perspective, such as 3D transformations, rotations, slanting, twisting, or warping are not allowed. The logo must always face forward and be upright.
